Facilitated Integration (Template)

Erie St. Clair LHIN

Version 1 October 2009

Ontario
Erie St. Clair Local Health Integration Network
Réseau local d'intégration des services de santé d'Érié St. Clair

Decision of the Erie St. Clair Local Health Integration Network issued pursuant to s.25 of the Local Health Systems Integration Act, 2006

1. Date

2. Parties to Decision
LHIN lists legal names of all the parties to the agreement that was facilitated. [Note: at least one party will be an HSP; HSPs do not have to be funded by the LHIN.]

3. Facts
LHIN provides factual context for integration decision:

- Description of parties including: services provided, service areas, client bases.
- Description of purpose and nature of intended integration.
- Other relevant background information.

4. Process
LHIN briefly describes the process followed to demonstrate that the requirements of the Act were met:

- LHIN describes how it came to facilitate or negotiate the agreement.
- LHIN describes the agreement reached by the parties.
- LHIN to add anything else that it might have done in coming to a decision – e.g. asking for more materials, requesting clarification, meeting with the parties to the integration or those opposed to the integration, etc.

5. Analysis of Intended Integration
LHIN demonstrates why it is issuing its decision.

6. Decision
LHIN states its decision and provides legislative authority for decision.

Pursuant to subsection 25(2) (a) of the Local Health System Integration Act, 2006, the parties are hereby required to take the following actions by [insert date]

[insert actions that the parties are required to take or not to take, including the development of a human resources adjustment plan if applicable.]
